

Look for the Bells!

Once again, we are asking the members and friends of St. John to participate in the Neighborhood House "Adopt-a-Family" Christmas project. The Bell Tree soon will be up in the Narthex. For those who are not doing in person worship, we hope to soon have an online opportunity as well. Watch your eNews for details.

Kroger Gift Certificates and **cash** donations for **utility bills** are also needed.

If you have any questions, please contact Patty Oates at 248-473-0816 or email her at rpoates@sbcglobal.net.

Please help us once again to brighten the holidays for some families in need in the Farmington area.

INSTRUCTIONS:

1. **Take a paper bell** (or bells) from the Christmas tree in the narthex and look for the numbered sign-up sheet on the easel next to the tree. **Write your name on the sign-up sheet** on the line next to the number that is on the top of the bell. **Please follow the guidelines on the bell when purchasing your gift.**
2. When you have purchased the item listed on the bell, **attach the bell to the purchase** and place it in one of our large collection boxes near the "bell" tree **on or before December 17**. We ask that you do not wrap the children's gifts (their parents might enjoy doing that), but if you have purchased one of the parents' gifts, you are encouraged to wrap that.
3. **Kroger Gift Cards and cash donations** for utility bills are also badly needed. Checks should be made out to "Neighborhood House". The "Kroger" bells are located on the sign-up poster along with the "Utility Shut-off" envelopes. Both are un-numbered and have a separate, un-numbered sign-up sheet. Place these donations and any other gift cards in the "Women's" mailbox in the office area.
