

## STANDING IN THE GAP

The *Standing in the Gap Collective* is a partnership of nonprofit organizations and community leaders united in the mission to confront food insecurity.

Food insecurity continues to rise due to SNAP benefit delays, cuts and inflation, creating hardships for low-income families. By leveraging shared assets and working together, we will expand the collective's capacity to serve those in need and bring hope to individuals and families across our community. A team of Standing in the Gap volunteers will host mobile pop-up stores across at the Detroit area and serve hot meals to those in need. *Standing in the Gap*.

Collective Partners include:

- Jubilee Detroit
- Cadillac Urban Gardens
- Bailey Park Neighborhood Development Corporation
- All Together Campus Ministry
- Spirit of Christ's Beacon of Hope Food Pantry
- Old Western Market
