

MARTIN LUTHER KING, JR.

Family Day of Service 2022

We are once again creating “service in a box” so that families can participate in service from the safety of their homes in lieu of our annual *Martin Luther King Family Day of Service*.

Activities will include sandwich and casserole preparation, cards for our veterans, appreciation bags for our first responders, and valentines for the elderly.

The box will contain instructions and some supplies and will be ready for pick up on or about **January 10, 2022**.

You can drop off completed projects at the Rosemont Auditorium on the morning of **Martin Luther King Day, January 17th**.

If you'd like to receive a box for your family, please contact Cathy Van Kula at service@stvparish.org or call (610) 525-4801, ext. 221.

This is a wonderful opportunity for persons of all ages to serve those in need.
