What Is a Missionary Hub?

The Catholic Church of Philadelphia is launching **Missionary Hubs** across our five local counties. These hubs will:

- Support missionary life, connection, and outreach
- Renew parishes, schools, and communities
- Engage people at every stage of their faith journey

Five pilot hubs have already launched, with plans to establish **50 Missionary Hubs over the next 10 years**, including two focused specifically on young adults (both in person and digitally).

Why Missionary Hubs Matter

Missionary Hubs will:

- Build collaborative teams dedicated to growing the Church
- Strengthen parish life and invite people to Mass, service, and community
- Serve urban, rural, and disadvantaged communities alike

Missionary Hubs will renew our parishes and institutions — not replace them.
