

# THE EPIPHANY OF THE LORD

## JANUARY 8, 2023

### Scripture Reflection...

#### EPIPHANY

The feast of the Epiphany is closely associated with two symbols: the Star and the Magi. Scripture study has pointed out that the specifics of this feast are open to some speculation. There are questions about whether the Magi were wise men from the east, kings from distant lands, or astrologers following a cosmic event. Happily for us, the purpose of recounting this story is not dependent on who they were so much as to emphasize that these visitors were gentiles whose acknowledgment of Jesus as Savior gives credence to him as the Messiah for all the world, not just the Jews. Rich imagery of caravans and exotic gifts adds to the mystique of such persons of importance recognizing the greatness of a Savior whose power derives from his humanity unencumbered by such riches or social status, divinely designated as Savior of the world for all, no matter their race, ethnicity or influence.

Nowadays there seems to be a resurgence of interest in things like healing crystals and the influence of the stars on human endeavors. We gaze in wonder at the vastness of the universe, strive to comprehend its origins, and attribute powers to cosmic events beyond our abilities. Thomas Aquinas, in his writings about the existence of God, referring to this inclination on the part of humans, reasoned that if we can accept that there is a power greater than us that designed and created the universe, no matter what we call it, it is still beyond our ability to replicate. We Christians choose to call it God. This is humility, acknowledging the truth, and the truth is that God is God, and we are not God.

And so today we celebrate this manifestation to the world that our God, powerful beyond our imagination, has graced us with his presence in human form so that we, the people he lovingly created – all of us, not just a chosen few – have a chance to be saved for all eternity. Like the Magi who recognized true royalty in the simplest, most innocent child to whom they were led by a star, we are inspired to seek the truth and follow his way to salvation. It is not the way of leaders who wield power and threaten with force, but the way of the Gospel whose proponent, Emmanuel, God-with-us, an innocent child, is the most powerful instrument of God's love who eschews violence in favor of compassion, ruthlessness in favor of gentleness, conflict in favor of peace.

The dictionary defines epiphany as “a sudden manifestation or perception of the essential nature or meaning of something.” For us who are willing to see with the eyes of faith, this is a celebration that indeed goes directly to our essential nature, manifested to us in the most basic image of a poor baby in a stable, not rich or powerful, but fully human, Jesus Christ the true Savior of the world.

#### ***Stewardship Thought for the Week***

*“Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh.”*

*Matthew 2:11*

The image of the Magi kneeling before the infant Jesus and opening their treasure chests for Him is an image that we should all try to follow each day. In gratitude for all that we have been given, we are called to generously share all of our gifts, not just the ones we pick and choose. God wants us to be generous with everything, but especially that one thing that means the most to you.

## CATHOLIC RELIEF SERVICES (CRS) CELEBRATES CONGRESS'S PASSING OF THE "FEED THE FUTURE" INITIATIVE

Great news! Congress passed the Global Food Security Reauthorization Act, which will reauthorize the "Feed the Future" initiative to address root causes of hunger in vulnerable countries. This is a huge legislative win to help end hunger. Thank you for all of your advocacy to help move this important issue forward. Visit [www.crs.org](http://www.crs.org) to learn more. "This is a huge legislative win for the fight against global hunger," said Bill O'Keefe, executive vice president of Mission, Mobilization and Advocacy for CRS. "By passing this bill into law, Congress rightly acknowledges the negative impacts of extreme weather on food security, made worse in the era of climate change." If you are interested in getting involved with CRS at the parish level, please contact Cathy Van Kula at [service@stvparish.org](mailto:service@stvparish.org) or call 610-525-4801, ext. 221, to learn more about our CRS Chapter, a joint effort with our sister parish, St. Cyprian.

### Support Our Afghan Resettlement Efforts

As you may know, in early 2022, our parish, together with Our Mother of Good Counsel, sponsored a family of four from Afghanistan. The family has settled into a home in Rosemont and they are acclimating to their new life in the United States. The father has a job at Vanguard and the mother is busy learning English and caring for her two children, ages 2 and 3. Our efforts have been blessed by the tremendous generosity of our communities, including the donation of a car, household items, and countless hours of time spent assisting the family with appointments, immigration matters, and other areas of accompaniment. We were happy that the family was able to join us at "Breakfast with Santa" so that they could experience some of our American Christmas traditions.

Our parishes have since taken on the support of two additional households. One household consists of three men, all former soldiers who assisted the US military's efforts in Afghanistan and were forced to evacuate when the US withdrew from the country. The three men, all of whom are working, recently relocated from Philadelphia to Upper Darby, and are in need of a small monthly stipend to assist with their rent and other expenses. The third family resides in South Philadelphia and consists of two adult sisters, their teenage brother, and two children (twins who are a year old). One of the women was a dentist in Afghanistan and is working in a dental office as a dental assistant with the hope that she will eventually be able to practice as a dentist in this country. We are providing this family with rental assistance.

We continue to accompany all three households, but each is growing in independence and all are determined to survive on their own. This will take time and patience. Our parishes are committed to supporting them as best we can and we welcome any and all financial support which will be set aside in a specifically designated account maintained by our two parishes for Afghan Resettlement purposes.

If you would like to make a donation, please send a check to the parish office made out to "St. Thomas of Villanova" with "Afghan Resettlement" noted on the memo line. If you have any questions, please contact Fr. Joe Genito at [pastor@stvparish.org](mailto:pastor@stvparish.org) or Cathy Van Kula at [service@stvparish.org](mailto:service@stvparish.org).

Thank you in advance for your generosity.

### **STV Food Pantry NEEDS your HELP!**

The Parish food closet accepts donations of non-perishable foods on a weekly basis. The items collected are then delivered to our sister parish, St. Cyprian's in West Philadelphia, where approximately 300 families are assisted on a monthly basis.

Items most in need are: powdered milk, canned fruit and 100% fruit juice, peanut butter and jelly, tuna, canned chicken, cold cereal, oatmeal, pasta and pasta sauce, rice, stew, chili and soup, toilet paper and diapers.

Food may be dropped off Monday-Thursday, 9:00am to 4:30pm and on Fridays from 9:00am to 1:00pm. Please drop off at the Parish Center and on weekends to the back of the Rosemont Chapel (around Mass times when the Church is open.)

Please be mindful of expiration dates. We cannot deliver food items which are past their expiration dates. Thank you.

### **2023 RED CROSS BLOOD DRIVES**

**Tuesday, February 7, 2023**

**Monday, May 22, 2023**

**2:00pm to 7:00pm**

**at St. Thomas of Villanova Parish  
Rosemont Auditorium**

Please call 1-800-733-2767 or visit

RedCrossBlood.org and Enter:

StThomasRosemont to schedule an appointment.

While the need for blood and platelet donations is constant, a severe cold and flu season can result in fewer donations if many become sick and need to postpone a blood donation until they are well. According to health officials, both influenza and COVID-19 cases are expected to surge simultaneously this winter. With an increase in flu cases already being seen in some communities, it's particularly important that those who are in good health share their good health by giving blood.

**The Red Cross urges blood donors of all types and those who have never given before to book a time to give blood or platelets now and help keep the blood supply strong for hospital patients.**

**Give the gift of life. Sign up to be a blood donor today!  
For questions about eligibility: call 1 800-RED-CROSS**

Going for a  
**MILLION** IN 2023

During the **HOLIDAY SEASON** we wish to express our **APPRECIATION** to everyone for your support of The Joy of Sox Mission.

### Going for a Million in 2023

We've been busy. As you can see in this photo from our warehouse, we've distributed over 848,000 pairs of new socks to date.

Which means we only need to distribute about 151,000 more pairs **to reach one million pairs!**

That's amazing! **And with everyone's extra help we should make one million in the fall of 2023!**

I'll keep you posted on our plans for this exciting goal.

### NEW WEBSITE

Our new website, [www.TJOS.org](http://www.TJOS.org), is up and running! Please check it out when you get a chance. You can view the sock distribution that we did on Thanksgiving in the Kensington section of Philadelphia.

Our mission is to provide joy and health for those experiencing homelessness by giving them new socks.

With much gratitude,
