

# Welcoming Asylum Seeking Families

The Augustinian Defenders of the Rights of the Poor (ADROP) is working with St. Thomas Aquinas Parish in assisting asylum seeking families and individuals sent by buses from Texas. The parish is finding permanent housing for these families and they have asked for our help in getting these people some of their basic needs for their homes. They have requested physical items for their homes, financial support as they become established, and any leads on potential housing opportunities.

## Ways to help:

- 1 shop on ADROP's Amazon Charity List to directly supply our new neighbors.
