

FOURTH SUNDAY OF LENT

MARCH 19, 2023

Scripture Reflection...

The passage begins by refuting the Jewish idea that illness was a punishment for sin. Jesus cures the man by mixing his spittle with the earth to make a paste which he places on the eyes of the man. He then tells him to go to the pool of Siloam — the same pool that was part of the ritual of Tabernacles. We are told that the word Siloam means “sent”. This word further makes the link between Jesus and the waters of Siloam for in this Gospel Jesus consistently speaks of himself as one “sent” by God e.g. “I know him, for I come from him, and he sent me.” Jesus is “the Sent one” of God.

The man, now restored to sight, is ignorant of Jesus and in the dialogues that follow he gradually comes to know Jesus’ identity. First he calls him a man — the man Jesus. Then he calls him “a prophet”. In these discussions he refuses to be intimidated by the Pharisees. He knows his own truth. He was born blind and now can see and only God’s power could have achieved this. Finally, the man meets Jesus again and when he recognizes that this is the one who cured him, he calls Jesus, “Lord” and worships him. The title “Lord” in Greek is Kyrios which is how the divine name Yahweh (Hebrew) was always translated into Greek. This man has journeyed in faith to his recognition of Jesus as God and therefore deserving of worship.

Here, he enacts the same ritual that the priests carry out every day of the festival of Tabernacles when they turn from the sun to the Temple. But in this account the Jewish leaders fail to recognize God’s presence in Jesus — they are like their ancestors who failed and turned their backs to the God of the Temple. Now, God is present in Jesus and these leaders are blind to his true identity.

The blind man exemplifies a journey to faith, from blindness to sight, from ignorance to true knowledge of Jesus. This is the theme also found in the letter to the Ephesians which reminds all believers — you were in darkness once, but now you are in the light of the Lord.

Who are we in this story, the blind man or the Pharisees? We can think we are living in the light but we too can be blinded to the truth of who Jesus is, where he is to be found, and what the Gospel can ask of us. This week could be a time of soul-searching, making sure that our eyes have not been dimmed by complacency or comfort. Only Jesus can truly offer living water. Only Jesus is the true light of the world.

The Gospel holds up the possibility of two journeys — towards the light or towards the darkness. The light of Easter invites us forward but we must first pass through the shadow of the cross. As we make the journey of the blind man we pray, “Christ be our light!”

Stewardship Thought for the Week

“Not as man sees does God see, because man sees the appearance but the Lord looks into the heart.”
1 Samuel 16:7

How often do we invest our time, talent and treasure in creating an appearance that does not matter at all to God? We strive to impress with our clothing, home, career, possessions, car and other marks of distinction. But none of these illusions of greatness will impress God. Instead, He will look into our hearts to see how much we loved Him, how much we loved others and how we showed that love by the way we used our time, talent and treasure here on earth.

LAUDATO SI'

Care for Creation

In Laudato Si', Pope Francis challenges
us to Care for Our Common Home by
growing in faith, hope, and love. To live
in healthy relationships with God, neighbor,
and all creation. We are called to be
ecological citizens, to make prudent
decisions, and to take bold actions. In the
particular matter of climate change, we are
cautioned to reduce emissions of pollutants like
carbon dioxide when it is in our control. By
doing so we will nurture and support human
life in all its stages, as well as protect
the goodness and beauty of God's
great gift of the natural environment.
In short, living Laudato Si'
embodies the common good.

*"Nature cannot be regarded as something separate
from ourselves or as a mere setting in which we live.
We are part of nature, included in it and thus in
constant interaction with it". - Pope Francis*

SHARING
SUCCESS

Most People in Turkana, Kenya raise livestock, and a few are farmers. But the hot and dry climate makes this work difficult — and climate change is making it even harder. Rebecca and Lotiang participated in a Catholic Relief Services program that installed a water well and taught them new farming techniques. They can support their family with their crops and are teaching others in their community what they learned. How can you use your skills and knowledge to help others? Visit crsricebowl.org to learn more.

If you wish to donate to the CRS Rice Bowl, please remit a check made out to St. Thomas of Villanova Church with a notation indicating that this is intended for CRS Rice Bowl.

You can drop off your donation in our weekly collection basket at the Villanova Church or the Rosemont Chapel. You can also mail or drop off your donation to the Parish Center.

Please call our parish office to schedule a visit.**

Homeless to Hopeful

"The house I was living in started falling apart and I had no choice but to leave, but I had nowhere to turn. I was homeless and living on the streets for two years. I don't know how I made it through the winter months, but I know God was with me, looking over me. The streets were getting too dangerous, and I knew I needed shelter. I spoke to my pastor, and he recommended St. John's Hospice. The first time I walked through the doors here, I loved it. St. John's Hospice has clothed me, fed me, and kept me safe. They have also helped support me through counseling, case management services, and anything I could possibly need. Next week I start a new job, and I know this opportunity would not have been possible without the support of the staff here. In addition to helping the 52 residents that call St. John's Hospice home, individuals experiencing homelessness can come to the dining hall for a hot lunch every day. They are met with dignity. Through the support of the Catholic Charities Appeal, these services are made possible. **People are given a second change in their life. The Appeal helps feed the hungry and provides shelter to those experiencing homelessness.** I don't know where I would be in my life without St. John's Hospice"

John, Resident, St. John's Hospice

Each weekday, St. John's Hospice provides more than 300 hot meals as well as case management, on-site nursing, daily showers, and mail delivery for over 1,700 men experiencing homelessness in our community.

Vehicle Needed for Afghan Refugee

As many of you know, our parish, together with Our Mother of Good Counsel, is sponsoring three Afghan households at this time. One of the men we are supporting is in immediate and urgent need of a car to get to work and to further supplement his income during the evenings and on weekends driving for Amazon and Door Dash. The vehicle he currently has will not pass state inspection, and the proposed repairs are not recommended (and are cost prohibitive). If you have a car you are no longer using and/or would be willing to donate, please contact Joe Betz at joseph.betz@villanova.edu. Donations toward the purchase of a used car would also be accepted.

We wish a warm welcome to the newest members of our parish:

Ms. Emily Guerin of Exton
Ms. Michelle Guerin of Exton

Remember those in need of our prayers, especially:

Katherine Breck, Brynn Busby, Peter Cellucci, Austin DePetris, Lina Fulton, Ian Gallagher, James Gibbons, Jr., Martin Gollin, Patricia Ann Harley, Joe Hopko, Sam Horsey, Bridget Kelly, Sara Keohane, Kelly Clarke, Ashley Lythgoe, Pamela LaMonaca, Joe Massaua, Bruno Petrillo, Bill Riley, Michael Salucci, Theresa Sherwin, Kevin Sousa, Peter Sousa, Terry Sousa and Robert J. Wahl

Please pray for our soldiers stationed throughout the world. Please also pray for the soldiers who are returning from their assignments, especially the wounded.

VOLUNTEER ENGLISH PROGRAM

The Volunteer English Program in Chester County will sponsor a 3-session training workshop for those who wish to tutor English as a second language to an adult immigrant or refugee. The workshop will be held via Zoom on March 21st (Tuesday), March 23rd (Thursday), and March 27th (Monday), 2023. Each session will run from 6:00pm to 8:00pm.

For more information about this exciting and rewarding volunteer opportunity or to register for the workshop, contact (610) 918-8222 or visit the website at www.volunteerenglish.org. A one-year commitment of approximately 3 hours a week is requested.

A gentle reminder to all of our wonderful parishioners, let us all be good stewards to work together to keep our churches looking beautiful. Please remember to place the gathering books and supplemental Augustinian binders neatly back into the hymnal racks at the end of Mass.

Thank you.

PARISH ANNIVERSARY

In August, our parish will celebrate its 175th anniversary. On our website you can read an in-depth description of our history. The official parish registry opened with the first Baptism on August 15, 1848, establishing the parish of St. Thomas of Villanova. The church building at Villanova was completed in 1887, and renovated in 1943. In 1900 the Rosemont Chapel was built for the convenience of the parishioners and the clergy who ministered to them, and in 1908 the Augustinians opened a school for children of the parish in Rosemont. The present Rosemont Chapel was completed in 1956 and renovated in 2000. In 1992 the Villanova church underwent a major renovation, and in 2020 was repainted. In 2022 the Rosemont Chapel was also repainted with some minor renovations.

Preparations are underway to celebrate this milestone. Suggestions and ideas for doing so are welcomed if you'd like to submit them to the parish office via email or letter.

WOULD YOU BE WILLING TO VOLUNTEER ONE NIGHT A YEAR?

For over 30 years, our parish has been a host congregation for the Interfaith Hospitality Network of the Main Line, commonly known as "IHN". As you many know, as of July 1, 2022, IHN officially changed its name to Family Promise of the Main Line ("Family Promise-ML"). Family Promise is the leading national organization addressing family homelessness, and IHN has been a Family Promise affiliate for 30 years. With this name change, Family Promise-ML is strengthening that relationship to benefit children and families experiencing homelessness and housing insecurity. Despite the disruption of the pandemic, the staff of Family Promise-ML worked expeditiously to expand its services to assist families in need of housing support and other services.

As a host congregation, St. Thomas welcomes families experiencing homelessness (typically single mothers with children) to our Parish Center five times a year. Our host weeks during 2023 are as follows:

April 9-April 16 - June 25-July 2 - August 13-August 20 - August 27-September 3 - October 8-October 15

Each evening requires five volunteers. That means in the course of a year, we need 175 volunteers (5 volunteers x 7 nights x 5 weeks)! Fortunately, we have a solid team of committed volunteers who are willing to serve each week that we host. But due to travel, family commitments and other obligations, we often have gaps in our volunteer schedule.

Please prayerfully consider whether you might be willing to join this ministry, even if it is only for ONE NIGHT a year. It does not require more than that, and it certainly does not require a weeklong commitment. For each evening that we host, we need:

- One volunteer/family to provide the evening meal;
- Two volunteers to serve as "Evening Hosts" from 6-9pm and join the families for dinner and fellowship;
- Two volunteers to serve as "Overnight Hosts" from 9pm-6am (7am on Saturdays and Sundays) who sleep overnight at the Parish Center. (Two twin beds or air mattresses are provided. You will be sleeping on the first floor of the Parish Center while the families sleep upstairs).

For new volunteers, you will be paired with an experienced volunteer. Volunteers serve in teams so you won't be by yourself. This is a great ministry for families to do together, for young adults and for empty nesters. There is really a role for volunteers of all ages, even if you can only commit to ONE NIGHT. **Please consider volunteering during our first host week of 2023, April 9-April 16th.**

If you'd like to get involved and/or learn more, please contact Renee Massaua at service@stvparish.org or call 610-525-4801, ext. 221.

CATHOLIC RELIEF SERVICES

The changing climate has had an impact on lands in Honduras, but farmers are learning new techniques to water their crops, protect the natural resources and keep their families healthy. Rony lives with his wife Reina and their two sons, Emilson (age 14) and Maynor (age 9) about two hours from Tegucigalpa, the capital of Honduras. Rony is a farmer who grows corn, beans and bananas. But it's hard to get good harvests working in the Dry Corridor — an area impacted by high temperatures and lack of rain. Droughts have become more frequent and storms stronger. "Nowadays, we don't know when winter starts or when it ends," explains Rony.

Rony participated in a Catholic Relief Services project, which helped him repair an old reservoir and install a low-cost irrigation system with pipes and hoses that uses very little water to grow his crops. He also learned to let the harvest residue rot (instead of burning the land) because the residue becomes the soil's fertilizer. Thanks to the watering system and his new skills, Rony can harvest his crops even if it doesn't rain. His produce and income are now enough to feed his family, pay the soccer academy's fees and help people in his community. Visit www.crs.org for more information and to see how you can help!

If you would like to get involved with CRS at the parish level, please email service@stvparish.org to find out more about our parish CRS chapter, a joint effort with our sister parish, St. Cyprian.

Please call 1-800-733-2767 or visit RedCrossBlood.org and Enter: StThomasRosemont to schedule an appointment.

While the need for blood and platelet donations is constant, a severe cold and flu season can result in fewer donations if many become sick and need to postpone a blood donation until they are well. According to health officials, both influenza and COVID-19 cases are expected to surge simultaneously this winter. With an increase in flu cases already being seen in some communities, it's particularly important that those who are in good health share their good health by giving blood.

There is no substitute for blood. **Donors provide the only supply of life-saving blood for those in need.** Donating is simple, fast, and convenient. The donation process can take as little as 45 minutes of your time, but can make a lifelong difference for someone else. Please sign up today.

Give the gift of life. Sign up to be a blood donor today!
