

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

May 1, 2024

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Senior Activity Center in fiscal year 2025. The entity to receive funding for this project is the City of West Miami located at 1700 SW 62 Ave West Miami, FL 33155.

The funding would be used to serve as a multi-generational facility for our youth in providing summer and after school care, including tutoring and service to our seniors by helping them stay active, provide social functions, and by creating a meals program. The Center will also serve as an emergency operations facility.

This is an appropriate use of taxpayer funds because it will provide valuable community fellowship between our youth and senior citizens and operate as an emergency operations facility to provide safety.

The project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Maria Salazar', written over a horizontal line.
