

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

May 26, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Garden District Flood Mitigation in Fiscal Year 2027. The entity to receive funding for this project is Village of Key Biscayne located at 88 West McIntyre St., Key Biscayne, FL 33149.

Funds would be used to construct injector wells and a new pump station, as well as the completion of connections to the local drainage system. This is an appropriate use of taxpayer funds because it will address longstanding drainage issues that have led to frequent flooding in a densely populated neighborhood.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "M. Salazar".
