COMMITTEE ON FOREIGN AFFAIRS
COMMITTEE ON FINANCIAL SERVICES

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

March 27, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Miami Citywide Drainage Improvements project for Fiscal Year 2027. The entity to receive funding for this project is the City of West Miami, located at 901 SW 62nd Ave, West Miami, FL 33144.

Funding would be used to upgrade the City's pump stations with modern technology, including early-warning monitoring systems, digital maintenance records, and the installation or procurement of emergency generators. This is an appropriate use of taxpayer funds because this project will strengthen community safety, environmental protection, and long-term sustainability.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "M. Salazar".
