

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

May 1, 2024

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Septic to Sewer (Sub-Area K Completion and Sub-Area J Design) in fiscal year 2025. The entity to receive funding for this project is the City of South Miami located in Sub-Area K and Sub-Area J of South Miami.

The funding would be used to aid in providing 205 homes with sanitary sewer in Sub-Area K and will begin the process of design and permitting of Sub-Area J, which encompasses 169 homes. This is an appropriate use of taxpayer funds because it will protect water quality and public health.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ms. Salazar", written over the printed name.

Maria Salazar
Member of Congress
