

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

4/4/2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the West Miami Potable Water Project for fiscal year 2024. The entity to receive funding for this project is the City of West Miami located at 901 SW 62nd Ave, West Miami, FL 33144.

The funding would be used for the replacement of the potable water system that is undersized and suffers from persistent leakage as well as intermittent failures. The project is an appropriate use of taxpayer funds because it will improve the quality of drinking water and prevent future failures and contamination of the water supply.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
