

U.S. HOUSE OF REPRESENTATIVES  
WASHINGTON, D.C. 20515

May 1, 2024

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Auburndale Flood Improvements in fiscal year 2025. The entity to receive funding for this project is the City of Miami located at located between SW 32<sup>nd</sup> Ave to SW 37<sup>th</sup> Ave, and West Flager St to SW 8<sup>th</sup> St, Miami, FL.

The funding would be used to install new drainage systems and raise roadways to address flooding in low lying areas. This is an appropriate use of taxpayer funds because it will help prevent flood and improve roadway conditions.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Maria Salazar', written over a horizontal line.
