

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

May 1, 2024

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Campana & Rovino Force Main Replacement in fiscal year 2025. The entity to receive funding for this project is the City of Coral Gables located at Rovino Avenue, Coral Gables, FL, 33156.

The funding would be used to replace the aging sewer infrastructure of the current force main pressurized sewage pipeline. This is an appropriate use of taxpayer funds because it will service thousands of residents and reduce environmental vulnerabilities associated with protected lands and Biscayne Bay.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Maria Salazar
Member of Congress
