

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

3/23/2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Miami Golden Pines Neighborhood Roadway and Drainage Improvements Project for fiscal year 2024. The entity to receive funding for this project is the City of Miami, located at 3500 Pan American Drive, Miami, Florida, 33133.

The funding would be used to increase drainage capacity around the neighborhood and drastically reduce flooding and ponding issues. This project will also improve roadway conditions, provide safer pedestrian routes to parks and schools, and allow for the upgrade of water service. The project is an appropriate use of taxpayer funds because it will help prevent flooding and improve roadway conditions.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
