

U.S. HOUSE OF REPRESENTATIVES

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Palmetto Bay Stormwater Sub-Basin 11 Improvements in fiscal year 2027. The entity to receive funding for this project is Village of Palmetto Bay located at 9705 E Hibiscus St, Palmetto Bay, FL 33157.

Funds would be used to improve and add additional catch basins, manholes, culverts, and exfiltration trenches, and installing a new outfall and headwall connection to an adjacent canal, as well as cleaning and flushing the existing system. This is an appropriate use of taxpayer funds because it will strengthen flood control and deliver water quality benefits.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "M. Salazar".
