

U.S. HOUSE OF REPRESENTATIVES  
WASHINGTON, D.C. 20515

March 20, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for SW 207 Street and SW 85 Avenue Water Quality Improvement in fiscal year 2027. The entity to receive funding for this project is Town of Cutler Bay located at 10720 Caribbean Boulevard, Cutler Bay, FL 33189.

Funds would be used to install an additional 3,600 linear feet of exfiltration trench, pipes, and add and replace catch basins. This is an appropriate use of taxpayer dollars because it will improve water quality and mitigate flooding in a hazard area.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "M. Salazar".

Member of Congress
