

U.S. HOUSE OF REPRESENTATIVES  
WASHINGTON, D.C. 20515

May 23, 2025

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Roadway Resurfacing along Coral Way in fiscal year 2026. The entity to receive funding for this project is the Miami-Dade County Transportation and Public Works located between Coral Way (SW 24th Street) from SW 77 Avenue to SW 87 Avenue Miami, FL 33155.

The funding would be used to improve roadway conditions, enhance safety for road users, and support the efficient movement of traffic in the area. This is an appropriate use of taxpayer funds because it will extend the service life of the pavement and address localized deficiencies to reduce long-term maintenance costs.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Maria Salazar', with a stylized, cursive script.

Maria Salazar  
Member of Congress
