

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

3/23/2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Pinecrest Stormwater Management & Drainage Improvement Project for fiscal year 2024. The entity to receive funding for this project is the Village of Pinecrest, located at 12645 Pinecrest Parkway, Pinecrest, Florida 33156.

The funding would be used to address chronic flooding in an area that experiences flooding during both significant storms and common rain events. The project includes the installation of an enhanced storm drainage system that will allow for better management of stormwater and prevention of potential flooding. The project is an appropriate use of taxpayer funds because it will help reduce neighborhood flooding and protect overall water quality.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
