

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

3/22/2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The City of South Miami Septic to Sanitary Sewer Project for fiscal year 2024. The entity to receive funding for this project is the City of South Miami, located at 6130 Sunset Drive, Miami, Florida, 33143.

The funding would be used to connect 205 homes, who currently use septic systems, to the sanitary sewer system. The project is an appropriate use of taxpayer funds because it will help safeguard the public drinking water and reduce groundwater contamination.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C. 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
