

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

March 27, 2026

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the West Miami Softball Field Revitalization project for Fiscal Year 2027. The entity to receive funding for this project is the City of West Miami, located at 901 SW 62nd Ave, West Miami, FL 33144.

Funding will be used to level the softball field, install artificial turf, and upgrade the drainage system. This is an appropriate use of taxpayer funds because it will enhance the quality of life for City of West Miami residents by providing a safer, more functional recreational space and addressing long-standing drainage problems that affect both the softball field and nearby homes.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "M. Salazar".
