

U.S. HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

May 23, 2025

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Westchester Public Works Improvements in fiscal year 2026. The entity to receive funding for this project is the City of Miami located at 8200 SW 8th Street, Miami, FL 33144.

The funding will improve roads, utilities, traffic engineering, and streetscaping, as well as construct a retaining wall and install other features to facilitate the planned construction of an emergency services center. This is an appropriate use of taxpayer funds because it will improve roadway conditions and traffic engineering.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
