Saturday Breakouts

1

No Tricks, Just Treats: Using AI in Ministry

ARTIFICIAL "INSPIRATION" - Come and discover ways to use AI in Real Ministry

2

Serving on Your Church Board

Baptist churches, by definition, have congregational forms of governance. What does this mean? Why should we view service as a church officer or board member as a spiritual service? How can participating in the system by which your church is controlled and operates be seen as a ministry?

3

Hymns & Praise Songs

Music's Place in the Church

How has music shaped worship in the church? How has it continued to change and what are the challenges that this brings to us as worshipers and leaders? There will be time to share helpful encouragement of ideas.

4

Strengthening the Church through Shared Leadership

This panel discussion brings pastors and lay leaders together for an open conversation about how shared leadership strengthens the life, health, and mission of the church.

5

Missions: facilitating our church members' involvement and outreach in the world in God's Great Enterprise

This workshop is an opportunity to learn how to create effective mission leadership in our local churches in order to engage every member. Let's share best practices.
