Shrove Tuesday

Come celebrate Shrove **Tuesday on March 4th** with us and enjoy a Pancake Supper with all the fixings. Food will be served at **5:30pm** in the Fellowship Hall. Historically, pancakes are associated with the day preceding Lent, because they are a way to use up rich foods such as eggs, milk, and sugar, before the fasting season of the 40 days of Lent. We will also enjoy the tradition of a King Cake. The name refers to the Magi visiting Jesus, celebrated on the twelfth night of Christmas known as Epiphany. The season for king cake extends from Epiphany through Shrovetide (Mardi Gras, Fat Tuesday, or Shrove Tuesday). Please join us for an evening of fun. Contact Ashley in the office at 920-725-5601 or stthomaswi1916@gmail.com if you have questions or would like to help.

- To teach children and how God's promises of salvation are woven into our lives.
- Teach children the way of Christ, not only in the church but also in the world.
- Give children a solid grounding for future youth and high-school formation programs, which prepares them for Christian adulthood.
- To foster the spiritual formation and growth of our children in Christ's love and mercy and to teach the spirit of forgiveness and reconciliation.

Theological and Historical Information on our **Anglican/Episcopal** history and heritage is part of every session plan. Class sessions are structured around the Holy Eucharist as set forth in the Book of Common Prayer. **Gathering:** Simple activities focusing the children on the lesson to come. **Telling the Sacred Story** (Liturgy of the Word): Telling the biblical story. **Prayer** (Prayers of the People): Giving thanks to God for God's presence with us. **Sharing** (Holy Communion): Fellowship and snacks with time for sharing that week's story. **Sending Forth:** Closing prayer sends the children back to their homes. The Nursery is open!

Our nursery is available for the little ones during the 8 & 10am services, as well as during Sunday school time. It is staffed by Mrs. Wanda Weiland. Volunteer opportunities are available for

PASTORAL CARE

Specialized Pastoral Counseling at St. Thomas – This counseling is specialized in that it will meet the need of anyone looking to be able to clear and optimize the way their mind works. It is fast and effective with many of life's problems including anxiety, depression, grief, low self-esteem, relationship issues, anger, resentment or self-destructive behaviors. In this approach the "renewing of the mind" is the pathway to healing. Call Fr. John Peterson for an appointment at 920-725-5601.

Smile

The simplest act of smiling for as little as twenty seconds can trigger positive emotions, jump starting joy and happiness. Smiling stimulates the release of neuropeptides that work toward fighting off stress and unleashes a feel-good cocktail of the neurotransmitters serotonin, dopamine and endorphins. Serotonin acts as a natural antidepressant, dopamine stimulates the reward centers of the brain, and endorphins are natural painkillers. Smiling also seems to reward the brains of those who see us smiling making them feel better, too, Smiling is contagious stimulating unconscious smiling in others, which in turn spreads the positive effects.

The Chosen/Bible Study

Our Chosen Group has branched out into a Bible Study.

We are using the One Year Chronological Bible by New Living Translation. Currently we are in the Old Testament. We are also using the Zondervan Handbook to The Bible. It is not necessary to purchase this handbook. Along with this we are watching an episode of *The Chosen* in Season 4 each week. We have assigned reading every week that we have a lively discussion along with the episode we watch. We have a very nice group of ladies and if anyone would like to join us you are always welcome. We have created a group chat message to keep everyone current with what we are doing. We meet every **Thursday morning from 9:30 to 11:00 in the St. Thomas Lounge**. Eagle Scout Project—Little Free Pantry-Hygiene Box

Hi everyone! My name is Allison Judd, and I am a 16 year old member of a female Scouts BSA troop (soon to be called Scouting America) in Neenah Wisconsin. Through my time in scouts, have strengthened my Christian values and have gained confidence in becoming a leader for those around me. Part of the Scouts BSA program is the opportunity to earn one's Eagle Scout rank, the highest and most notable award in the program. Completion of the requirements of this rank includes leading an **"Eagle Scout service project"** that serves long term benefit to the community, and my Eagle Scout project will be serving St. Thomas! I am leading the construction and installation of a **little free pantry stocked with hygiene items**. Along with the Double Portion food pantry offered here, this project will offer additional resources to those living in poverty by allowing them to take any hygiene items they need from the pantry with no strings attached. **For this project, I will need to raise \$450 and I am asking for your help collecting funds! Please consider donating, if you are able.** Donations do not have to be large, but all of them will contribute to making this project successful. If you would like to donate, donations can be made either online, which you can find on our website on the Give page, or by giving to St. Thomas either by cash or check. Please indicate it is for the hygiene box. I am looking forward to the execution of this project and the benefit it will bring to the community. Please know that this could not be done without your generosity and support. Thank you!
