TRIMESTER 1

SCHOOL EVENTS

2016

GOLF TOURNAMENT

During the Holy Rosary Golf Tournament held on October 17, eighth grade students from Holy Rosary School carried bags for the golfers. These students also directed the golfers to the stations where they could eat breakfast, participate in the putting tournament, or practice on the driving range. The students took the bags and carried them to the area where the golfers would join their team. It was an enriching experience for the students, and we hope the golfers had a good time!

BMX STUNT SHOW

On October 26, 2016, HRS students and faculty were presented with an amazing BMX show. This was held during Red Ribbon Week, a week to signify the importance of being drug-free and living a healthy life. BMX riders performed awesome stunts, tricks, and flips on their bikes. The riders' purpose was to show everyone that if you find something you really enjoy (e.g. bicycle riding and stunts) and pursue it, you can easily stay away from drugs and peer pressure and be healthy. Overall, it was a fantastic show of wild bike tricks and stunts that had meaningful purpose during Red Ribbon Week.

HALLOWEEN

On the day of Halloween, everyone wore their Halloween costumes to school: vampires, superheroes, Pokémon, and more! There was a parade of kids walking in their costumes, showing off what or who they were and having fun at the same time. Then there was the Halloween Dance, where the 6th, 7th, and 8th graders got to have fun and socialize with the other grades. There was dancing, a D.J., and food. There was also a scarecrow contest for the junior high grades. Congratulations to all who participated! Overall, Halloween turned out to be a fun time that everyone spent together.

VETERANS DAY

On November 4, 2016, HRS celebrated Veterans Day. Students and teachers wore red, white, and blue free dress to commemorate the event. The 8th Grade Leadership also held a school town hall to recognize the veterans in our community, as well as those in other places or those who are deceased. Afterwards, the Knights of Columbus served breakfast for the veterans and their families in the Dominican Hall. We thank all of the veterans who have served our country in the armed forces and those heroes who are currently stationed in other places around the world to fight for our country.

TEACHER SPOTLIGHT

MR. SCHOLZ

Q: Why did you decide to become a teacher?

A: I had been in journalism for 12 years. I wanted a new challenge, and teaching was my calling.

Q: Why did you decide to come to Holy Rosary?

A: I came to Holy Rosary because I would like to teach in Catholic schools. I have taught in Catholic schools for over a decade. God has called me to share His good word with our youth.

Q: What do you think about the students here?

A: I think the students have a good energy here. There is a love of learning present, which is awesome.

Q: What do you want the students and parents to know?

A: It's all about focus. Focus on your job, which is to get through school and become successful. The parents should be right alongside the students for support.

Q: Do you have any tips for the students and the parents?

A: Read, read, read! Students should always be reading and expanding their knowledge. The parents should read as well to set a good example for the children.

MRS. HAMADE

Q: Why did you become a teacher?

A: I became a teacher, but to be honest I did not seek it as my first career. My first career was in Social Work, but I did get my CBEST.

Q: Why did you come to Holy Rosary?

A: My husband was educated in French Catholic Schools throughout the Middle East, so when we had our children he insisted that they also be educated in Catholic schools.

Q: What would you like the students to know?

A: The students should know that schooling in this environment, in this country, in Antioch, at Holy Rosary, is a great blessing. Be curious, ask questions, get involved, and participate.

Q: Do you have any tips for students or parents to succeed?

A: I think that the best way to succeed is to have peace in the decisions that you make. If you feel good about your goals, if you are at peace spiritually, it is because that is the path that you should be choosing in harmony with God's plan for you.
