Serendipity News:

As we welcome fall and the cooler weather we also welcome lost jacket season. Please be aware that we have a lost and found next to the Serendipity office. It is extremely beneficial to have your child's name on their jacket. Once a month the jackets are gathered and routed back to the students. We currently have several water bottles and food containers in lost and found. The Serendipity Staff wishes all our families a Happy Thanksgiving. We are Thankful for you!!!!

Basketball Updates

Please remember to add your child's coach to your guardians in Kidcheck if they will be picking up your child. This can be done by going on your Kidcheck account. You will need your coach's phone number to put them on your child's account. Serendipity cannot walk your child over to their practice. We do not have the staff to do this and we cannot not let children walk themselves over to the gym. We will only release them to persons on their emergency forms and Kidcheck accounts.

SERENDIPITY NEEDS.....FOOTBALLS, BASKETBALLS, RUBBER KICK BALLS, AND SOCCER BALLS. They are replaced regularly but still disappear quickly. They end up on the roof and in the neighbor's yards.
