Established in 1955, Holy Rosary School is a faith community, which shares its love of God and instills high academic values. We guide students to an understanding of who they are and an appreciation for what they can contribute to the world.

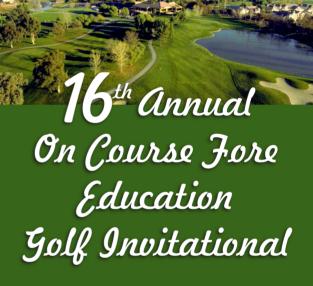

In the last 15 years, On Course Fore

Education has raised over \$360,000 for our
technology program.

The proceeds from this year's tournament will continue to support the technology infrastructure for the school.
