Any particular experience singing, acting, dancing or backstage experience? This is not required, but it is helpful for the instructor to know.

What type of personality does your child have?

I understand the nature of this class involves the instructor to use her qualified judgment, when casting characters. Auditions will be held Tuesday, September 17, 2018, and will consist of singing a selected song from "Frozen, Jr." and audition materials can be found at [www.mtishows.com](http://www.mtishows.com). Please have your child choose 2 characters to audition for (1 lead and 1 ensemble). Audition materials will also be given at our Kick-Off Party held Tuesday, September 10, 2019 I realize not all participants are able to have a lead role; however, I acknowledge that each character is vitally important to the overall production. And I accept and support the director's decisions concerning casting.

I understand if my child is disruptive or disrespectful, the instructor may excuse him/her short-term or permanently with written or verbal notification. I understand this is a September thru January class, with performances between the block of dates of January 17-19 at El Campanil Theatre in Antioch. I will make every attempt to have my child attend all practices. The weekly rehearsal will be from 3:00-5:00PM (and December and January rehearsals will be till 5:30PM; and will involve specific characters staying until 5:30pm. Calendar will be sent home on audition day, Sept. 17th). This allows for the necessary minimum 36+ hours of rehearsal time. If I know my child will not be at a rehearsal, I will contact the instructor in advance by phone or by email.

The Non-Refundable monthly tuition is \$80.00 per month for September thru January. The \$150 Registration Fee covers Licensing and Royalties of the Broad-way Junior musical, 1 Script, Rehearsal MP4 links, theater rental deposit, props, sets, printing and other supplies and FULL costumes will be provided. The Registration Fee of \$150 is due no later than Friday, August 30, 2019 at 10:00am. A Welcome email will be sent with Class/Tuition/Audition information will be sent over Labor Day Weekend.

I have read, understand and agree with the information above.

## In the News:

The College Entrance Examination Board reported student scores from 2001, 2002, 2004, and 2005 using data from the Student Description Questionnaire indicating student involvement in various activities, including the arts. As compared to their peers with no arts coursework or involvement:

Students involved in drama performance scored an average of 65.5 points higher on the verbal component and 35.5 points higher in the math component of the SAT

Students who took courses in drama study or appreciation scored, on average, 55 points higher on verbal and 26 points higher on math than their non-arts classmates.

In 2005, students involved in drama performance outscored the national average SAT score by 35 points on the verbal portion and 24 points on the math section.

### DRAMA IMPROVES ACADEMIC PERFORMANCE

Numerous studies have demonstrated a correlation between drama involvement and academic achievement. In addition to having higher standardized test scores than their peers who do not experience the arts, student who participate in drama often experience improved reading comprehension, maintain better attendance records, and stay generally more engaged in school than their non-arts counterparts. Schools with arts-integrated programs, even in low-income areas, report high academic achievement.
