SERENDIPITY NEWS

As we approach the ending of this school year we are letting you know ahead of time our new policy this year. Serendipity balances may not be carried over into the next school year. All accounts past and present must have a zero balance by the last day of school. If there is an ending balance on your account it will be transferred over into your Smart Tuition. If your child is an 8th grader all balances must be paid by June 1st. Thank you.

KIDCHECK NEWS

There seems to be some confusion between registering for Kidcheck and registering for Serendipity. Kidcheck is simply our new sign in/out program. It tracks the child's hours and notifies you when your child is signed in/out. Registering for Serendipity is filling out a form that you can either receive from Serendipity Staff or the front office. Registering with Serendipity is not required unless you wish to receive the lower rate which also requires a payment of \$85 per family. This fee is due every year.
