

Cosponsor Statements of Support — One Flag for All Act

“The United States is a diverse and pluralistic nation, unified by our shared beliefs and allegiance to the American flag. Public buildings serve all citizens, regardless of their personal beliefs, and must not be used to advance a political agenda. I am proud to support codifying President Trump’s ‘One Flag Policy’ into law.” —Rep. Greg Murphy, M.D. (NC-3)

“America’s Stars and Stripes is more than a flag. Old Glory is a symbol of a common heritage chosen by us and our ancestors over centuries. Sadly, the Biden Administration subsumed that commonality and pride in America’s flag by elevating contentious and divisive special interest flags to stand alongside the American flag. Far from bringing folks together, that politicization of our flag divided Americans.

“That’s why I am proud to cosponsor the One Flag for All Act, which prohibits, with limited, common-sense exceptions, the flying, draping, or other display of any flag other than the flag of the United States at federal government buildings. We are one nation, and together, under our one flag, we stand united.” —Rep. Rick Crawford (AR-01)

“Our federal buildings should not display flags that promote political or social agendas. These agencies and offices serve the American people – they should patriotically display the American flag. I’m grateful for Rep. Harshbarger’s leadership on this bill.” —Rep. Dusty Johnson (SD-AL)

“Taxpayer-funded government entities should not be displaying flags to advance political agendas – just the American flag for our national interest,”
Congressman Derek Schmidt (KS-02) said. *“I’m proud to cosponsor this legislation to codify President Trump’s ‘One Flag Policy.’ This is common sense that should be our permanent practice regardless of who is in office.”*

“The American flag is an enduring symbol of our nation’s freedom, unity, and sacrifice. It should never be diminished or overshadowed by any other banner. The One Flag For All Act will protect our flag from politicization and reaffirm that it alone represents the American people.” —Rep. Laurel Lee (FL-15)
