

## SWC COOKBOOK

### VERY IMPORTANT - PLEASE READ

**We're so excited about our cookbook fundraiser.**

**The first major SWC group project is the talk of the town.**

Aren't you excited too to have your own personal cookbook in hand in the Fall 2022? You can get extra copies and give them to family, friends, co-workers and more as holiday gifts.

#### ***How can you help the cookbook project?***

We need everyone to pitch in and submit one or more recipes so we can meet our goal of a large collection of recipes (required for print production) for the cookbook fundraiser.

#### ***You don't cook...No worries.***

Lots of us use favorite or interesting (I'll try that soon recipes) that we create ourselves, get from family, friends, co-workers or neighbors, or delicious looking recipes we find in books, magazines or online. Recipes from various formats are welcome.

#### ***Did you know?***

The funds generated by the fundraiser will be used for SWC activities (exciting things coming soon), group projects, retreat (2023), and scholarships (help group members in need to attend activities and retreat). Plus, a contribution to Unity Spiritual Center in the Rockies.
