

Unity Gardening

Another person has stepped up and volunteered to help mow the grounds of Unity this week. Thank you so much George Gonzales! We now have one person for each week of the month. The mowing team is Donna Grant, Don Turner, Steve Smith, and George Gonzales. This will continue until we get a more permanent outside Temple keeper or outside organization such as the one we now have for the upkeep of the inside of the Unity building.

Landscaping plans are to purchase and plant at least three bushes for the South side of the building and one on the East side of the building. We need your help in weeding, trimming bushes, planting Irises donated by Sylvia, and ideas for the outdoor beautification of the grounds around the Unity building. I need time to set up drip lines to these new bushes and flowers so having help with the above mentioned needs would be greatly appreciated. Gardeners meet every Thursday at 8:00 a.m. - 11:00 am.

Also if you would like to meet some Thursday evenings please email me and we can do that as well. My email is dk.grant@comcast.net.

Thank you,
Donna
