

We are having a Brunch to celebrate all the men who may or may not be fathers on Father's Day on June 19th. Ladies, we need your help! It's our time to let the gentlemen enjoy and be reminded that you are so appreciated and loved. Also, there is an absence of volunteers to help on Sunday's to set up and clean up for fellowship. If you enjoy this time of community we would love your help, your participation will mean the continuation of this wonderful time together. Nothing is guaranteed unless we personally commit. My email is [dk.grant@comcast.net](mailto:dk.grant@comcast.net) and I look forward to the flood of volunteers for this wonderful Sacred Service to our community!
