

Brunch Potluck: Bring goodies to share, a folding chair, dress in layers due to unpredictable weather

**Honoring Mother Earth:** Please join us April 23<sup>rd</sup> to honor and celebrate Earth Day as we explore the deep connection we have with Mother Earth. River Hansen, whose heart and soul is attuned with the earth through her spiritual practices, will facilitate our meeting. We will be doing some fun activities. Bring your drum, rattles, and other noise makers if you like. If it rains or snows, we will meet next door at River's house. Let's celebrate the honoring of Earth Day at Unity!

*River is a psychotherapist in private practice and is serving on Unity's Board of Trustees.*
