

Happy Juneteenth!

In addition to Honoring our Fathers today, we also want to honor our friends and everyone who is celebrating Juneteenth. Freedom Day, Black Independence Day or Emancipation Day has been celebrated for more than 155 years in this country.

Juneteenth, a combination of June and nineteenth, commemorates the date that union troops finally arrived in Galveston, Texas, to announce news of the Emancipation Proclamation and also enforce it. Last Year President Joe Biden made it the 11th Federal Holiday, and last month Governor Jared Polis also signed legislation making it a Colorado State Holiday.
