LEARN & PLAY Program

For children entering grades K through 5

Location: Devonshire Cultural Center

This program is to provide a safe and fun environment for children that need care during remote learning weeks. Special activities, outdoor play, homework time, non-contact games, crafts, and more will be organized throughout the day following CDC guidelines. Staff will plan the daily schedule around the children's required learning times and will support the child as needed. No Class: 9/7 and 10/12. Check out our School Days Off Programs below!
