

**TEACH CHILDREN TO MANAGE THEIR  
TIME, SPACE AND MATERIALS  
(AND KEEP THEIR EMOTIONS IN  
CHECK!)**  
with Sarah Ward, MS, CCC/SLP

*Please join us for a talk with Sarah Ward, who will help parents:*

- *Develop a solid understanding of what executive function skills are and how they impact your child's academic and personal performance.*
- *Learn easy to implement methods to help your child initiate tasks, follow routines, and think in an organized way.*
- *Learn strategies to help your child self-initiate, plan and complete homework and long-term projects/papers independently.*
