The Gospels in Shorts

Sundays after Church

The four canonical Gospels share common material but differ in important ways in their telling the life and ministry of Jesus. In this course we will examine in brief each of the Gospels with an eye toward comparing and contrasting the likely contexts in which the Gospels were written, their intended audiences, and editor's intentions, their sources, their theology and themes, their common material and their unique contributions to the story of God with us.

July 5 - The Gospel according to Mark

July 12 - The Gospel according to Matthew

August 2 - The Gospel according to Luke

August 9 - The Gospel according to John

We will Meet in the Parish Hall.
