RAPHAEL WARNOCK
GEORGIA

UNITED STATES SENATE
WASHINGTON, D.C. 20510

August 29, 2026

To Floridians for Democracy and Mt. Olive AME Church,

Thank you for inviting me to participate in the Rally For Hope! Our democracy is a verb, a daily endeavor that each of us must uphold and defend, so that future generations may prosper.

I am grateful that, in this moral moment in America, the people are choosing to remember and honor the civil rights activists of the Great March on Washington, who fought and died to ensure that "we the people" meant us all.

Dr. King told us that "injustice anywhere is a threat to justice anywhere," so I am proud to see so many brothers and sisters standing up, fighting for that basic American covenant: one person, one vote.

Scripture reminds us, "From everyone who has been given much, much will be demanded; and from the one who has been entrusted with much, much more will be asked." Those entrusted to lead their brothers and sisters in Christ are more than just messengers of the gospel—they are confidants, friends, mentors, and family, helping to shine a light in the darkest spots of people's lives.

Thank you for rising to the occasion, answering this higher calling, and committing yourself to helping forge a beloved community where all God's children can thrive.

Keep the faith and keep looking up.

Reverend Raphael Warnock
United States Senator
