| # | RESPONSES | DATE |
|----|--|--------------------|
| 1 | Most patients stopped wearing masks. M | 6/1/2023 9:54 PM |
| 2 | optional except for sick visits who are sent to our "masking hallway" We provide masks to staff and patients Patients are screened before entering our waiting room | 6/1/2023 2:02 PM |
| 3 | Masks are optional for staff when in office and working with patients who do not have respiratory symptoms. | 6/1/2023 1:27 PM |
| 4 | We only strongly encourage masks for sick patients and providers seeing sick patients. We do not require staff to wear masks. | 6/1/2023 12:29 PM |
| 5 | Waiting room open but patients check in and are taken directly to room. Staff and patients are wearing masks for sick visits only. | 6/1/2023 11:53 AM |
| 6 | Admin staff mask optional, mask required for MAs and docs in exam rooms with eye protection if swabbing or injecting (tasks that could cause patient to cry) | 6/1/2023 11:26 AM |
| 7 | We recommend masks only for respiratory illness visits for patient and staff but don't enforce. Otherwise is voluntary for both patient and staff. | 6/1/2023 11:11 AM |
| 8 | Staff masking is optional except for sick visits then full PPE required for staff and masks for the patient/family. | 6/1/2023 8:53 AM |
| 9 | Following our county guidelines which is masks required for staff in patient care areas. | 6/1/2023 8:26 AM |
| 10 | Masks required for sick patients. Optional for staff. | 6/1/2023 8:03 AM |
| 11 | Waiting room open but we take patients back right after check in done so no one is waiting room lingering. | 5/31/2023 3:05 PM |
| 12 | We allow our staff the option to wear them. | 5/31/2023 12:59 PM |
| 13 | We are discussing making masking optional for staff this week. We still ask the patients who are ill to put on a mask. Some of the staff have stated that will continue to wear a mask when it is optional. | 5/31/2023 12:59 PM |
| 14 | We ask those with respiratory symptoms to use a mask. | 5/31/2023 7:04 AM |
| 15 | We require masks for sick patients and clinical staff working with them. I didn't see this option reflected. | 5/31/2023 6:05 AM |
| 16 | Still have separate entrance and waiting area for ill patients. | 5/30/2023 11:04 PM |
| 17 | Never closed during the pandemic. | 5/30/2023 10:11 PM |
| 18 | We only require masks on our sick side for sick visits - for both patients and staff. | 5/30/2023 9:40 PM |
| 19 | We ask sick folks to wear masks. Clinicians are still wearing masks (by choice so far during visits). We plan to mask if/when family requests. | 5/30/2023 8:23 PM |
| 20 | We recommend masks for anyone with flu like symptoms | 5/30/2023 7:31 PM |
| 21 | Policy: masks optional, but if your child or a family member is sick, mask required. Staff: their choice | 5/30/2023 7:26 PM |
| 22 | One of our offices is within the medical office building of a hospital. We stopped requiring masks a few days after they suddenly announced that they were stopping, which was about a month before the other hospital stopped (end of March 2023) | 5/30/2023 7:07 PM |
| 23 | We now have dedicated well and sick waiting rooms with separate entrances, for what it's worth. | 5/30/2023 7:01 PM |

|----|---|--------------------|
| 24 | many staff still wear masks. We recommend masks if sick | 5/30/2023 6:34 PM |
| 25 | 1st question did not give this option: masks are required for pts/family members for sick visits AND for staff when seeing sick pts -- otherwise optional | 5/30/2023 6:30 PM |
| 26 | We strongly encourage masking for patients here for respiratory concerns, and strongly encourage staff to mask when working 1:1 with sick patients. We do require clinical staff to mask, if the patient is masked. We consider that if the family has a concern to protect themselves, or perhaps an immune compromised family member that we don't know about, we should respect their lead and mask as well. Our waiting room is open after checking in by phone and answering "no" to question of any current respiratory concerns in the family. | 5/30/2023 4:41 PM |
| 27 | if a parent requests staff to wear a mask, we gladly do so. | 5/30/2023 2:59 PM |
| 28 | We require masks for staff when they are seeing a sick patient. Otherwise no masks for staff either. | 5/30/2023 1:27 PM |
| 29 | As a health facility we should be more diligent than other places | 5/30/2023 1:26 PM |
| 30 | Staff do not need to wear masks in non-patient areas; just when patient-facing. Even well patients. | 5/30/2023 1:11 PM |
| 31 | No | 5/30/2023 12:57 PM |
| 32 | We ask our nursing staff to wear a mask when working with sick patients. Masks are optional for all others including patients/parents. | 5/30/2023 12:43 PM |
| 33 | I wear a mask for all sick visits and babies under 6 months. Not required, but encouraged | 5/30/2023 12:26 PM |
| 34 | If possible, we direct room newborns/infants and those patients under 5 years that are ill and can't wear a mask. | 5/30/2023 12:24 PM |
| 35 | We do require masking if known exposure and testing if symptoms. We highly recommend PPE use with sick visits and still have all PPE available for staff to use | 5/30/2023 12:17 PM |
| 36 | Lots of controversy on this topic. But every vote among partners has favored no mask mandates. | 5/30/2023 11:50 AM |
| 37 | Most nursing staff and providers choose to mask, patients do not | 5/30/2023 11:01 AM |
| 38 | We ask patients/families to wear masks if ill but don't exclude them if they refuse. We encourage staff to wear masks if patients are ill and N95s for aerosolizing procedures. | 5/30/2023 10:02 AM |
| 39 | we don't have a waiting room patients are escorted from car to exam room. vitals and weights done in each exam room. planned to prevent all kinds of infections | 5/30/2023 10:01 AM |
| 40 | We request sick families wear masks, all staff is optional | 5/30/2023 9:01 AM |
| 41 | Just taking it day by day. | 5/30/2023 8:44 AM |
| 42 | Masks are optional, but providers continue to wear them. MAs have chosen not to. We ask families to still wear masks for sick visits but you know how that goes.. | 5/30/2023 8:42 AM |
| 43 | Masks optional for everyone, including staff, unless fever, resp. symptoms or confirmed COVID. | 5/30/2023 8:00 AM |
| 44 | Have separate areas in waiting rooms for sick vs well. | 5/30/2023 7:52 AM |
| 45 | Our staff only has to mask when in direct patient contact | 5/30/2023 7:25 AM |
| 46 | Not using waiting room because it's more efficient checking in from the car | 5/30/2023 7:19 AM |
| 47 | Some of our staff still wear masks by choice | 5/30/2023 7:10 AM |
