1	what feature?	7/13/2023 9:27 PM
2	n/a	7/13/2023 8:36 AM
3	Our EMR Office Practicum uses Intelichart and there is no way to protect adolescent confidentiality (except some areas if marked in OP & not sent to IC), parents have access until they turn 18. Proxy access is provided by patients themselves once they turn 18 or we can provide if parents have legal rights to in cases where patient is unable to care for themselves (severely autistic etc)	7/13/2023 8:00 AM
4	We can block certain things from going to the portal, e.g. a test result.	7/11/2023 5:41 PM
5	Don't have a patient portal. Call teen cell phone if nec	7/11/2023 2:34 PM
