1	We use Mr. Neb. The problem is they do not have access to get new machines, and we are down to only one machine. I would love to know if there are more resources available.	8/28/2024 5:30 PM
2	We bill the insurance company and have the parent sign a rental agreement/ABN We use the Motif Bili light. The bed is good. Just as long as you don't swaddle the baby while using the bed. The motif bili light is sensitive and will sense that it's overheating and turn off.	8/28/2024 11:19 AM
3	previously we used to collect the fee ourselves and forward it to the vendor but now they send the bills directly to the patients and once in a while patients do complain about we didn't agree to it, even though it is clearly explained to them..	8/28/2024 9:52 AM
