Think back to the last time you walked into a room and someone remembered your name, asked about your week, and actually listened to your answer. That's the kind of moment that turns individuals into a family and a crowd into a community. Sunday morning worship gathers us together, but it's in these smaller circles — a group, a class, a workshop, a team serving side by side — where we're truly known, where life's real questions get asked, and where faith moves from something we hear about to something we live out together.

This fall, we want to help you find that place. Whether you're new to Trinity or you've been here for years, there's a group, class, or outreach opportunity waiting for you — a place where you can bring your whole self, grow in your walk with Christ, and discover the strength that comes from not doing life alone.

I invite you to look through this brochure and prayerfully consider where you will be involved. We're offering a variety of groups, classes, workshops, and outreach opportunities designed to help each of us live out our Trinity mission statement of being "Living Proof of a Loving God!"

In Christ,

Mike Kenyon

Pastor of Discipleship & Community Outreach
