

Faith Connection Story – Bethany, Ephrata

Bethany, Ephrata wanted to create a mission trip experience without having to spend a lot of money and travel to a faraway place. Thus, their hometown mission trip was created. They worked for three days from July 14-July 16, 2016. Each day begin with breakfast and devotions at the church. They then broke into project groups. All told, 40 people participated and volunteered over 350 hours of labor to the local community!
