On Sunday, February 11, 2018 the congregations of Penn Central Conference are invited to take a LOVE OFFERING* to benefit the program costs associated with the summer camps at Hartman Center. The average costs of a full week of camp is just over $500 which means that *every* camper is subsidized. Plans are underway for BIG SPLASH 2018, when a 'wave' of visitors (35 last year) will go out to our churches to promote the camp.

***At the 2015 Conference Annual Meeting a resolution was adopted to have a yearly offering to benefit Hartman Center. The heart design for the offering was created by Glenn Young (Hayshire UCC, York Association).**
