

UCC HTC Volunteer Projects

Volunteers- Basic Skill

Volunteers- Moderately Skilled

Volunteers- Highly Skilled

Painting Inside Cabins and Program Lodges (12 Volunteers)

- Most of the cabins and both program lodges could use several coats of paint to cover up the old wooden paneling. Will require special primer to properly cover panels.
 - **Durable:** Brushes, rollers, troughs, extensions
 - **Consumable:** Painters tape, paint
 - **Budget:** \$200
 - **Notes:** Site could use more painting supplies

Cleaning brush and fallen trees (16 Volunteers + 2 Volunteers)

- Forest needs major cleanup all around the property. Will start in front of property and work our way back. Create brush pile to be chipped and burn pile. Basic skill volunteers will work with hand tools on brush removal. Highly skilled volunteers or site staff required to operate powered equipment such as chainsaws.
 - **Durable:** Truck, trailer, chainsaw, hand saws, gloves, chaps, safety glasses
 - **Consumable:** Gas, bar oil
 - **Budget:** \$50
 - **Notes:** Depending on volume of volunteers the use of another truck would be nice

Cleaning Windows (12 Volunteers)

- Windows and window seals throughout property could use cleaning.
 - **Durable:** Rags
 - **Consumable:** Windex, paper towels
 - **Budget:** \$20

Mobile home foundation Siding (4 Volunteers + 2 Volunteers)

- Site staff or experienced volunteers must oversee work. Mobile home needs to be wrapped in the uniform Hartman Center grey siding.

Chapel and Nature Center Garden (4 Volunteers)

- Gardens will need to be cleaned
 - **Durable:** Rakes, shovels, trowel, gloves, clippers
 - **Consumable:** NA
 - **Budget:** \$0

Working on trails (8 Volunteers + 1 Volunteer + 1 Volunteer)

- Trails need to be cleared and raked inside camp boundaries. 1 highly skilled volunteer need to run chainsaw when needed. Other volunteers will operate with hand tools. Moderately skilled volunteer will operate weed eater.
 - **Durable:** Rakes, shovels, gloves, clippers, weed eater, chainsaw
 - **Consumable:** Gas, string, bar oil
 - **Budget:** \$20

Installing doors in pool house (1 Volunteer + 1 Volunteer)

- Damaged doors in pool house bathrooms need to be replaced. Some doors were on special order and require finish carpentry work such as routing our hinges and drilling holes for knobs.
 - **Durable:** Carpentry Tools
 - **Consumable:** Doors, screws, knobs, hinges
 - **Budget:** \$300
 - **Notes:** Skilled person with tools appreciated. High cost of special order doors

Painting Chapel Bathrooms (2 Volunteers)

- Chapel bathrooms in need of work. A coat of paint would go a long way to improving aesthetics
 - **Durable:** Brushes, rollers, troughs, extensions
 - **Consumable:** Painters tape, paint
 - **Budget:** \$50
 - **Notes:** Site could use more painting supplies

Scrub all walls in Michaux (8 Volunteers)

- Michaux walls are built out of a porous panel material that cannot be painted over. TSP and rags would clean up a lot of the marks and scraps.
 - **Durable:** Rags, scrubs
 - **Consumable:** TSP, paper towels, nitrile gloves
 - **Budget:** \$30

Demo old gazebos and benches at P1 (3 Volunteers + 1 Volunteer)

- Old structures in P1 area are dangerous and should be removed. 1 moderately skilled volunteer to observe people to ensure safe conditions.
 - **Durable:** Hammers, pull bars, rope, gloves, safety glasses
 - **Consumable:** Gas
 - **Budget:** \$20
 - **Notes:** Donation of another truck use would be valuable.

Clean all cabinets in Michaux, and Program Lodges (8 Volunteers)

- Twice a year a deep cleaning is conducted in which all dishes are removed from cabinets in offsite kitchens. Cabinets inside and out will be thoroughly cleaned.
 - **Durable:** Rags, scrubs, magic erasers
 - **Consumable:** 409, paper towels, nitrile gloves
 - **Budget:** \$30

Refinish Michaux Lodge Floors (2 Volunteer + 2 Volunteers)

- Michaux Lodge floors could be thoroughly cleaned and a coat of wax could be applied. Some experience in applying wax needed.
 - **Durable:** Mops, wax applicators
 - **Consumable:** Wax
 - **Budget:** \$100

Michaux Lodge outdoor lights (1 Volunteer)

- Dusk/dawn light not working outside of Michaux for unknown electrical reasons.
 - **Durable:** Electrical Tools
 - **Consumable:** Wire nuts, new lights
 - **Budget:** \$50 (depends on if lights are repairable)
 - **Notes:** Skilled electrician with tools would be valuable.

Conduct electrical inspection (2 Volunteers)

- A licensed electrician to conduct a camp wide electrical inspection would be very valuable.
 - **Durable:** Electrical Tools
 - **Budget:** \$0

Repair Michaux Lodge electric heaters/breakers (2 Volunteers)

- We've recently been experiencing problems with heating in Michaux Lodge due to aging electrical. Some heaters are no longer functional and some breakers are failing.
 - **Durable:** Electrical Tools
 - **Consumable:** Unknown
 - **Budget:** \$50 (depends on damage)
 - **Notes:** Skilled electrician with tools would be valuable.

Clean Michaux Lodge attic (8 Volunteers)

- Squirrels have created a significant problem in Michaux Lodge attic causing damage as they have nested. All ceiling tiles should be removed and cleaning of entire area needed. Will create a significant mess as ceiling tiles are removed.
 - **Durable:** Rags, scrubs, vacuum, brooms
 - **Consumable:** 409, paper towels, nitrile gloves
 - **Budget:** \$20
 - **Notes:** Donation of Shop Vac use would be valuable

Clean cabin attics (10 Volunteers)

- During inspection, we found very mess environments in all the cabin attics. Cleaning in this space would be appreciated. Reasons for massive insect intrusion and holes to outside elements could be assessed.
 - **Durable:** Rags, scrubs, vacuum, brooms
 - **Consumable:** 409, paper towels, nitrile gloves
 - **Budget:** \$20

- **Notes:** Donation of Shop Vac use would be valuable

Clean Campground bathhouse (4 Volunteers)

- Cabin bathhouse turned on an off every year. Volunteer assistance would save site staff time.
 - **Durable:** Rags, scrubs, vacuum, brooms, mops
 - **Consumable:** 409, paper towels, nitrile gloves
 - **Budget:** \$20
 - **Notes:** Donation of Shop Vac use would be valuable

Clean gutters (2 Volunteers)

- Gutters being cleaned would save site staff time.
 - **Durable:** Ladder, gloves
 - **Consumable:** NA
 - **Budget:** \$0

Wax Program Lodge floors (2 Volunteers + 2 Volunteers)

- Deep cleaning and application of wax would be beneficial to Program Lodge Floors
 - **Durable:** Mops, wax applicators
 - **Consumable:** Wax
 - **Budget:** \$100

Remove Trash Concrete Pile (3 Volunteers + 1 Volunteer)

- Two concrete piles on property could be removed. Concrete is heavy and will require people with the ability to lift heavy objects. One skilled person required to operate tractor.
 - **Durable:** Truck, trailer, tractor, gloves, safety glasses
 - **Consumable:** Gas, cost of disposal
 - **Budget:** \$100
 - **Notes:** Depending on volume of volunteers the use of another truck would be nice

Service equipment (2 Volunteers)

- If **skilled mechanic** is available servicing of HTC machinery would be valuable.
