Part-Time Music Director Position for Dreisbach United Church of Christ

Dreisbach United Church of Christ is in the heart of the Buffalo Valley, between Lewisburg and Mifflinburg. Dreisbach was founded in 1788 and is the oldest continuous church body in Union County. We have an adult choir, bell choir and a praise group that participate in the music ministries of the church. Dreisbach averages 120 people in worship attendance on a weekly basis.

The Dreisbach congregation enjoys a diverse collection of music selections in its worship life. Our worship is a blended type with both contemporary and traditional elements. We worship at 9:15 a.m. on Sunday mornings. There are many special services throughout the year in which the Music Director's services and leadership may be required. Dreisbach has an Allen digital organ that was installed in 1997. It has 2 manuals, a midi system and a recording system. Dreisbach also has a 3 octave Malmark hand bell set that our bell choir utilizes.

We are looking for someone who can fulfill the responsibilities listed below:

- Work approximately 8 – 10 hours per week.
- Lead and direct the adult choir in worship, schedule rehearsals and pick music along with Pastor.
- Schedule special music participants for the summer worship services (Memorial Day – Labor Day).
- Oversee the care and tuning of the musical instruments of the church (organ, piano, bells).
- Foster music participation in other ways in the life of the congregation with special music or ensembles that create life and meaning in our worship.
- Schedule the organists for weekly worship and participate in playing the organ in worship approximately 2 times a month.
- Possibly lead and direct the bell choir as skills allow.
- Obtain clearances and background checks.

The position is accountable to the Pastor and the Consistory. The Music Director has a yearly salary based on education and years of experience and a stipend for weekly organ playing. There are no other benefits.
