

**Hope Rising: A Time of Healing & Inspiration**  
**MA-AUCE's First Ever Hybrid Conference**

The Mid-Atlantic Association for United Church Educators (MA-AUCE) is inviting all Pastors, Faith Formers, and Ministry Leaders to share in a time of healing and inspiration. Ministry and faith formation can take a lot out of us during "normal" years, and the past 2 years have been anything BUT "normal."

Come join ministry leaders and faith formers from New York to Virginia as we gather to share stories, reflect on what has been working for us in ministry, brainstorm what could work in the future, and take some time to refresh ourselves as we prepare to lead our ministries into new areas.

This year, for the first time, the MA-AUCE Conference is being held as a Hybrid Event. Event dates are late afternoon Monday, March 28 through lunch on Wednesday March 30, 2022. In-person attendees will gather at the Tuscarora Inn & Conference Center in Mt. Bethel, Pennsylvania. Additionally, the opening worship and evening sessions on Monday and Tuesday, and the morning session and closing worship on Wednesday will be offered via Zoom for those who wish to attend virtually. The full schedule and workshop details will be released soon.

For those attending in-person, Covid Protocols will be followed: Covid vaccinations and masks will be required. All rooms will be single occupancy.

Please join us to make some connections, refresh, and find hope again in the work of God we are called to do in this challenging time.
