

Trinity, East Pete has a rich history rooted in Word & Sacrament. We know who we are, which is the basis for our ministry and mission to the community.

We recently completed phase one of a building project to make our building accessible (elevator, renovated bathrooms). We exceeded our capital campaign. This was critical for us because our building is used 7 days a week. A Preschool meets Monday thru Friday. An AA group is there on Saturday evening. Both of these groups will celebrate 50 years next year.

Part of our history includes uniting with St. Luke's. It has been two years since St. Luke's, Lancaster united with us. Members of that church have been integrated into the life and ministry of the new congregation. The most recent symbol of our union is removing a window from their former church and bringing it to Trinity.
