

Ministers' Financial Vitality Initiative (MFVI) Extends Application Deadline

Dear Colleagues,

The Ministers' Financial Vitality Initiative (MFVI) is extending its Program One application deadline to October 31, 2017, to offer UCC authorized ministers more discernment time to apply.

Earlier this month, we reported that applications were coming in for the first class of MFVI, and indeed we are seeing the interest in this program. However, we recognize that financial planning can be a personal and sensitive topic for UCC ministers to address head on, especially without the careful consideration, planning, and involvement of family members. With that in mind, we decided to extend the application deadline.

The MFVI program will now begin in mid-November. Interested applicants can apply here:

<https://app.smarterselect.com/programs/41494-United-Church-Of-Christ>. All chosen applicants will be notified of their acceptance by early November.

As a reminder, applicants must have the endorsement of their Conference or Association Minister.

Thank you again for collaborating with us in this new program.

Best regards,
